## Best of Metromix Nashville: **MARGARITA**

Tequila meets lime. It's a match made in heaven, or at least made in Mexico. Nothing gets us in a summertime frame of mind faster than a well-mixed margarita. So who mixes them up best?

**And the winner is...**

### ***Cantina Laredo***

592 12th Ave S.  
Nashville, TN 37203

Unlike other places that may drown your tequila in sour mix, Cantina Laredo's margaritas are concocted with fresh-squeezed lemon and lime juice, giving more of a true citrus flair. The cantina's signature 'rita is a blend of Sauza Blanco tequila, Cointreau and juice. And if you're feeling adventurous, there's a mango and pomegranate option, as well. Yum.
