

2010 Best Restaurants

We asked and you responded in huge numbers: While our staff is always willing to share the places we love to eat and our new discoveries, we also wanted to let our readers speak and share the places they love spending both their time and their dining budgets. Without further ado, here are the places you voted for and ranked the most popular restaurants in town as well as our critic, Kay West's, favorites and the *Nashville Lifestyles*' staff's go-to eateries. We'll see you there!
